

THE TREATY OF PEACE.—The most interesting item of news for the last week, was that of Peace with Mexico. We find that the treaty has been made and is to be signed on the 10th of this month. The treaty is a masterpiece of diplomacy and statesmanship. It settles all the questions of territory, and restores peace to the Republic. The people of the Republic were waging a war for the extension of human slavery. But now that peace once more visits our white folds over our country, let us rejoice; although fields whitened with the bones of our slaughtered brothers, and our hearts are still filled with the memory of the blood that was shed for us, and for the people of the Republic. Let us, however, be not so much rejoicingly glad to us, of profanity and crimes yet to be repented of. May our people, of all parties, learn; that henceforth the "manifest destiny" of all nations, and of individuals, is *fraternity*, and not cooperation in works of universal friendship.

THE WING NATIONAL CONVENTION.—The last die of the universal White Party is cast. The Party is at an end. They have elected their last President, and they have elected their last Vice President, but not so *White*. To this peer end his politics come. One party chooses as its candidate, a map of unmitigated corruption and falsehood—the other, a man, the son of his mother tongue; and both proceed in the work, and inspired with the love of human slavery, and the desire to maintain the Union, Democracy, my name is Wai and Gammon!

THE LIBERTY LEAGUE.—Yesterday the National Convention for the nomination of a Presidential candidate of this glorious political party, was held in New York City. It was the only political party in the country, which we have any very strong sympathy; and the only one which is worthy the support of the Working Men of this country. It is an eclectic party, which combines the good of all the others—and what is more, it is composed of men who have proved themselves to be the best and the most reliable of all the parties in the country. They are sound on the subject of Land Reform, Slavery, Direct Taxation, and the rights of the working classes. Gerrit Smith will without doubt be the candidate. Who can hesitate, what working men have not heard themselves say, and the support of all lovers of their country. REMEMBRANCE.—We shall publish acknowledgments, every week, of all contributions to the *New York Directory*. The acknowledgments will include all that we have received since its publication.

OUR subscribers in Lowell have diminished in numbers, as may be made the expense of paying a carrier some of our papers. It is therefore necessary that we should be considerably multiplied there, we shall be obliged to send the *Iron* by mail—or have it sent by express. Members of the W. M. F. U. might have their papers sent to the *Iron* by mail—we can get an efficient agent to canvass Lowell for subscribers, we shall be in hopes of obtaining a sufficient number to enable us to employ a carrier. The good liberal terms will be afforded to agents for the *New Era of Youth*.

TO CONTRIBUTORS.—LoweL, W. F. U. Your favor was too late for the week. It shall be attended to next week—with thanks.
