VOICE OF INDUSTRY

LOWELL, APRIL 4, 1844.

The W. WORKMEN'S CONVENTION.

The American Central Labor Union held its seventh meeting at Washington, March 24th. The same labor union, under its own name, has been held at various places. The delegates from the various states present were well attended, and the resolutions adopted were carried to the convention. The convention was held at the American Central Labor Union, and the resolution was carried to the state of Massachusetts.
